

Registration and fees– how it works.

Registration

When a player joins the team, the coach should ask for basic details – Name, DOB, parents name and contact details.

They normally train for 2/3 weeks before signing up.

Once the parent and coach agrees that the player will sign up, the parent can complete the club registration using the following link - <https://forms.gle/mvZ22NJ1VbDePy828>

The screenshot shows a Google Form titled "Registration information" for "Treharris Athletic Western Mini and Junior Football - Coach/Helper Registration". The form is displayed on a mobile device. At the top, there is a header image featuring two cartoon figures in yellow shirts and brown shorts, flanking a large red circular logo with the letters "TAW". Below the header, the form title "Registration information" is displayed. Underneath, the text "Treharris Athletic Western Mini and Junior Football - Coach/Helper Registration" is visible. The user's email address, "tawminijuniorreg@gmail.com", is shown with a "Switch accounts" link and a cloud icon. A note states: "The name and photo associated with your Google Account will be recorded when you upload files and submit this form. Your email address is not part of your response." A red asterisk indicates a required question. The first question is "Name (Full name - eg. Joe Davies) *" with a text input field labeled "Your answer". The second question is "Date of birth *" with a date picker labeled "Date" and the format "dd/mm/yyyy". The third question is "Place of birth" with a text input field labeled "Your answer".

The club administration will then process the registration, and also enrol the player onto the FAW COMET system.

The parent will receive an email from the club email address TAWMinijuniorReg@wales.nhs.uk with a form attached. The form then needs to be completed by the parent, with only the bottom three boxes. This should be the parents name, signature and date of signing.
